

To All Blossomwood Pool Members—

Policy Update:

In an effort to expedite and ease the transfer of pool memberships, the Blossomwood Pool Board is allowing members to sell their pool membership stock fee to anyone for any price that is mutually agreed upon by both parties. You do not have to go through the waitlist to sell.

The current value of the one time **BW Pool Membership stock fee is \$700**. You, as a member, *must be in good standing*, do not have to go through the Pool Board to sell, however, since the Board has first right of refusal, we need to be notified first of your intent to sell just in case we chose to buy back your stock fee. At a minimum, we do ask that any member to go through the sell/buy process outside of the Pool Board is to **NOTIFY the Board of that transaction** at blossomwoodpoolmembers@gmail.com so that we may keep our records updated and that we know whom our new members are and who are no longer members.

To all new members that purchase a BW Pool Stock, that in addition to the stock fee, the **yearly dues to use Blossomwood Pool and its Facilities is \$525, payable by May 6th, 2019**.

Thank You for you Support, Understanding, and Patronage.

Sincerely,

Jason Dilocker
Blossomwood Pool President 2019
